NEW LIFE FOUNDATION

God has done amazing things to us, and through us this month!

The Glory is His!

Every month, we write these updates to tell you of the amazing things we have been a part of here at New Life Tanzania. We lead such blessed and exciting lives because of the number of lives that we touch and change on a daily basis. We are proud of all the things we get to do, all the things our children accomplish; all the heights they scale – and will scale! But we are merely the bottles from which our children drink the water of life, that is Jesus Christ. We serve a God that gives us all the blessings we report to you, and if we are to boast in anything, we can only boast in just how awesome he is to us. Whatever is glorious about the work that we do, the things we accomplish, is for the glory of He who accomplishes it through us, through your support. *All the glory to Jesus Christ, your savior and mine.* ☺

A Word From Pastor Shoo:

Hello friend,

The Lord has been amazing to us this month, as he always proves to be. We have seen his hands providing for us in the mysterious, unplanned ways he says he operates in!

For example, some students from Buckie High School (an institution we're getting to know and love) paid a short visit to us and were touched by the work that we do. What was a quick stop on their way out of the country became a seed of love planted in their hearts. They got back home and got news of a charity competition they could win for a cause of their choice. They chose New Life, won all the categories they participated in, and raised enough money to buy us 30 tables, 40 chairs, a generator and so much more!

This was just one of the many reminders of the love God has for the children we serve. We are proud to be his co-workers, and are VERY thankful to you for allowing him to use you to touch us and bless us the way you do.

Enjoy his presence this month!

*With love,
Your Friends in Kilimanjaro,
Glorious & Josephine Shoo*

February Highlights

Buckie High Makes Huge Donation

Buckie High School from Moray, Scotland has made a money donation used to purchase 40 chairs and 30 tables for Fountain of Hope Christian school this month. This has meant that our lower primary school (Grades 1 & 2) now all have chairs and tables to sit comfortably on. As reported in a previous update, we were honored by the visit from some Buckie Community High School staff and students. Upon their return to Scotland, the students from Buckie entered a regional charity competition for New Life Foundation, which they won. The money donated has not only enabled us to buy chairs and tables for our students, but also a generator to help during the frequent power cuts, and some new musical instruments for use during our worship and community services. We are forever grateful to Buckie High for consistently demonstrating the power of love and giving to us!

Imkyung Choi Visits NLF Tanzania

New Life Foundation South Korea representative, Sister Imkyung Choi, was in Tanzania on a weeklong visit to our headquarters. Sister Choi spent most of her time at Fountain of Hope, visiting all four of our campuses during her time here. She has been a massive supporter of New Life Foundation, devoting her life to starting (after meeting NLF President, Glorious Shoo) and managing New Life's presence in Korea and Asia at large. May the Lord bless you indeed, Dada Choi!

New Life Website Gets a New Home

We are excited to announce that New Life Foundation's official website is moving to www.newlifetz.com. This move sees us change ISPs which will mean a better browsing experience for you, and an easier way to give to New Life. The new site retains the same design as the one before it. The old website at www.newlifetz.org is still live right now, but will go down shortly. (We should mention how blessed we are to have our generous New Zealand supporters, George & Monique Douglas, who set up and manage the New Life website with love and know-how!)

More from February

Prophetic Ministry at New Life

Long time NLF supporter and NLF USA board member, Pastor David Dodd, led a team of prophetic ministers who visited New Life for a series of prophetic ministry sessions this month. The group held individual prophetic sessions with some of our staff members, and also led a powerful group service that involved the whole of the New Life Foundation Tanzania body. Pastor Dodd also preached at partner church, International Christian Center Kilimanjaro, encouraging the body of Christ here with a timely, prophetic message that we're beginning to see come to pass in our ministry to Moshi's red light district. Thanks to our friends Peter & Mary Street for organizing this. ☺

Visitors from Switzerland

New Life Foundation received visitors from Switzerland, professional cyclists Kurt and Cici, who visited with a host from Arusha. The athletes were given the New Life welcome dance by our students, a short tour, and listened to testimonies from some of our children. This is the second time they are visiting New Life during their participation in the North Tanzania circuit of cycling events, to show their love and support for the work we do for the children God has placed in our care. They donated \$1,500 to New Life Foundation and spoke of how touching it is to be able to contribute to a project they believe in. We were honored by the visit and feel blessed by the love they have shown our children. ☺

New Life Day of Prayer

We held a highly memorable Day of Prayer at our headquarters this month that involved the whole of the New Life Foundation family, from staff to students – a body of about 600 people from our four divisions. The prayer day involved worship, thanksgiving reports, group and individual prayer sessions and a word from man of God, Pastor Glorious Shoo. We love being able to meet together as a family and take our requests and thanksgiving to God corporately. The atmosphere was electric with healings (both spiritual and physical) being reported by our students. We are proud to be of Christ's kinship! ☺

Thank you!

New Life Foundation appreciates your continued interest and support as our organization grows forth. We would love to hear from you and see your friendly faces. Your time, expertise, donations and, above all, your hearts and prayers are what keep God's work at this organization rolling! ☺
