

JANUARY 2014

NEW LIFE FOUNDATION

God has done amazing things to us, and through us this month!

GIVE
New Life

2014: A Season of Seeking!

Do you want to find God? Do you want to actually see him, meet him, touch him? Seek him!

He promises in his word **that those who seek him with all their heart will surely find him.** We here at New Life want to find God this year. The type of breakthroughs we want are only givable by God himself. Therefore, we are devoting this year to seek him, seek his ways, seek his purposes for our life. We will find him!

Every month, we will share with you the portion of God that we have found in the previous month and let you in on the victories he gives us on a daily basis. Please know that we pray for you in your own seeking, and would love to hear what you find of him! Share it with us.

Again, may this newsletter serve as a reminder of the grand mission you are a part of. Be blessed by the hundreds of lives you are touching here through your support. ☺ *Amen!*

A Word From Pastor Shoo:

Hello friend,

How has your 2014 been so far? We hope it's been as amazing as ours.

This month, I have been learning and teaching on purposeful living by seeking God's will for our lives. The children we serve have been fine examples, especially our worship team.

Our children minister to us every Friday at our big organizational worship session, and every Sunday at our partner church, International Christian Center, Kilimanjaro. They have built a fantastic team that leads us into the heart of God every time, with beautiful voices and worshipful instrumentation. The Lord has been using them mightily to lead in praise, in prayer, in healing and in service.

These students are a true example of the power of living with purpose. Not merely following their own hearts and talents, but seeking the heart and the will of God, we have seen our students transform the way we enter and stay in God's presence.

Seek his heart today. Enjoy the outcome!

*With love,
Your Friends in Kilimanjaro,
Glorious & Josephine Shoo*

FOUNDATION

January Highlights

Pastor & Mrs. Shoo in Sweden

New Life Foundation president and vice president, Rev. Glorious Shoo and his wife Josephine, were hosted in Sweden earlier this month by our friends from Mission SOS. The Stockholm-based international ministry is led by the (quite amazing, we must add) Evangelist Johannes Amritzer, who invited the Shoos to Sweden. Rev. Shoo spoke at their international ministry school, while Mama Shoo preached at Mission SOS Stockholm church. The trip coincided with the Shoo's 26th anniversary, for which they were fittingly treated to some exquisite Scandinavian hospitality. They have now returned to Tanzania with reports of praise and testimonies of the greatness God accomplished through them during their time there. God bless Mission SOS for their valued partnership, and the inspired work they do worldwide spreading the gospel to the unreached. (See missionsos.org)

Evelyn & Princely at CaCHE Global

A new innovative Christian learning program, CaCHE Global, launched its pilot program in Nairobi, Kenya and New Life Foundation was invited to participate. Our organization's Chief Coordinator, Evelyn Mpinda, was accompanied by our Communications Officer, Princely H. Glorious for the program training and pilot launch itself. CaCHE is an applied curriculum developed by CaCHE Global for effective Christian pre-collegiate education. The training was at Brackenhurst, Kenya.

So far, the program includes four courses: Life Vision Planning, Computer Literacy, Online Learning Readiness and English Grammar & Structure. Participants may receive credit hours from William Kerr International University for completed courses, with additional universities expected to join the roster. We thoroughly enjoyed the trainings, particularly the facilitation methodology – which we can apply immediately, and are looking for ways to integrate the program into Fountain of Hope's soon to come higher learning program.

More from January

Training for World Vision:

Our outreach arm, Fountain of Love, was in the central region of Songea to train children's ministry workers for long-time partners World Vision TZ. The event gathered 21 children's ministers from Songea town and surrounding villages for a week of ministry and curriculum training. We are blessed to be able to bless!

Red Light Ministry

Our partner church, ICC Kilimanjaro, led by Bishop Glorious Shoo, has begun a night ministry in Moshi's red light district. Many NLF staff have been preaching the gospel's message of salvation on streets once seen as filthy. We've had at least 7 girls give their lives to Christ and join ICC so far, directly through this ministry.

Full update next month. ☺

Bus Update: Now At the Border

As reported in our last update, REACH Church of Austin, TX, have given money to us for the purchase of a school bus. With this money, we have been able to purchase a 40-seater Nissan Civilian from Japan. As I write, the bus is now at the Tanzania-Kenya border on its way to New Life Foundation. The bus will be cleared and forwarded to us by the relevant authorities. We are expecting to have it with us within the next month! We would again like to thank Pastor Chris Gilkey and the whole of REACH church for this amazing gift to our kids!

Back to School:

January is back-to-school month here at New Life Foundation. Our Fountain of Hope schools are back in session across all our four campuses now, with the children settled back into their class and dorm life now, ready for 2014. The students have just completed their first set of monthly tests last week. We are very happy to have their beautiful faces and energy back with us and are looking forward to a bright 2014!

Thank you!

New Life Foundation appreciates your continued interest and support as our organization grows forth. We would love to hear from you and see your friendly faces. Your time, expertise, donations and, above all, your hearts and prayers are what keep God's work at this organization rolling! ☺
