NEW LIFE FOUNDATION

God has done amazing things to us, and through us this month!

NEW LIFE
FOUNDATION

Special Word from Pastor Shoo:

Hello friend,

Greetings in the Name of the Lord Jesus Christ!

We have had another amazing two months here at New Life, and we are ever grateful to him. God has kept showing himself to us. Providing us with abundant grace, mercy, love and healing. I have so much to share with you about the work of God in Josephine's life. One beautiful lesson – out of the many – that we have learnt this far, is that TEST PRECEDES TESTIMONY.

Well, I will share more with you through “The Healing Special” that you will receive next month. For now, have a look at what the Lord has done through and for New Life in the past month.

We want to thank you for your love and support. Organizations like ours depend on the hearts of giving from people like you to be able to do the work we do.

One of the best ways to support our ministry directly is to sponsor one of our children. Our sponsorship program covers children in Fountain of Hope – our schools for the needy – and Fountain of Zoë – our home for abandoned babies. In our school of over 600, we currently have around 100 unsponsored children who depend on New Life Foundation completely. Due to the success of our church's ministry to Moshi's red light district (as reported in previous newsletters), we will also be adding 20 new children from the ladies who were saved through this amazing ministry.

Sponsoring one of our children (for \$67 dollars a month) allows you to impact their life directly, with the money going to buy him food, clothing, classroom materials, and help towards paying their teachers and supporting staff. You will receive frequent, handwritten letters from them and be able to cultivate a personal, life-changing relationship with them individually. (For more information on the whole process, please visit: newlifetz.com).

Also, please feel free to share this newsletter with a friend you believe would love to touch a life of a Tanzanian child in need directly. We are proud of the work God has accomplished through us for the past 13 years, and would love for you to be a part of our future. Join us!

With love, Your Friends in Kilimanjaro, Glorious & Josephine Shoo

June & July Highlights

Gina Satterthwaite with Voice of Change

Our long time friend and sponsor of New Life Foundation, Gina Satterthwaite together with Ian Yallop and Andreas Smetana, came to film at NLF for Voice of Change. The film focuses on telling a story of abuse, hope and restoration. They are currently travelling around a number of countries researching and documenting stories of vulnerable children and what is being done to help them.

The documentary will help to raise awareness and will also be used by new life to raise more funds.

New Life Foundation was happy to be featured in this film. For more information on Voice of Change visit: voiceofchange.org.nz

Love Week at New Life

The Fountain of Love 2014 week was amazing!

Imagine a ground packed with students lifting their voices to the heavens, dancing, worshipping and being filled with the holy spirit. That was the scene at Fountain of Hope, when 100+ students took part in the Operation Holy Spirit.

Starting from the 28 of July to the 1st August, "Operation Holy Spirit with Fountain of Love" took place at Fountain of Hope Headquarters. Spirit-empowered seniors and sophomores prayed for their juniors and the Holy Spirit ascended on more than 50 juniors. A lot of other students were healed and filled with the Holy Spirit.

You could see on their faces the intense spiritual hunger in their hearts, and the tears that flowed freely down their faces were an outward sign of the inward work and their brokenness before the Lord. It was truly a week filled with healing, restoration and the Holy Spirit.

More from August!

Ola & Sissel Muan in Tanzania

The Chairman of New Life Foundation Norway, Ola Muan together with his wife Sissel Muan were in Tanzania with us for two weeks.

During their time here they were able to see what the Lord is doing at New Life Foundation and they were updated on all the operations happening in the different departments.

We were truly blessed to have them with us.

Singles Retreat

The N.L.F Singles Ministries retreat was held on 28 Jun at NLF. The Keynote speakers were married New Life Foundation Staff and Pastor Ernest from International Christian Church, Moshi. It was a one-day event with lots of good preaching and enjoyable fellowship.

New Life Foundation's single staff were truly blessed and they were all in agreement that one day is not enough.

Thank you!

New Life Foundation appreciates your continued interest and support as our organization grows forth. We would love to hear from you and see your friendly faces. Your time, expertise, donations and, above all, your hearts and prayers are what keep God's work at this organization rolling! ☺
