Fountain of Love Week

Upcoming Events

Pastor Shoo will be visiting USA in mid April from 16th to 30th April 2012.

Please contact us or write to the email addresses below for further details.

The last week of March was a time of fun for the students as they were involved in play, games and songs as they waited for the closing day. It was also a time of prayer for them as they thanked God for the past term and for the coming holidays.

Fountain of Hope

Effective Learning with necessary illustrations was going on this term. At the end, the leading students were awarded. Children from poor family or social backgrounds led the pack. Many students from Hadzabe (one of the most remote and backward villages in Tanzania) led in academics and other areas.

The New A-level students reported to school, went for camp and started their classes immediately thereafter. The army is moving on!

Fountain of Joy

Training went on smoothly and un hindered and at the end of March 2012 the students also closed school for the Easter vacation.

Fountain of Zoe

With the ending of academic programs in our Fountain of Hope (Primary and Secondary schools), caring for the toddlers continued and some of the children were taken to staff homes for the vacation.

3 goats were donated by one of our USA sponsors Julia Henry for milk for the kids. We Thank God for remembering these young ones.

Chicken Project

NLF now has a 3,000 layers chicks project thanks to a kind US organization that gave the funds after reading our project proposal. In future we will sell some eggs and may also eat some! :-)

(Exod 17:11 -12 [KJV])

And it came to pass, when Moses held up his hand, that Israel prevailed: and when he let down his hand, Amalek prevailed.

But Moses' hands [were] heavy; and they took a stone, and put [it] under him, and he sat thereon; and Aaron and Hur stayed up his hands, the one on the one side, and the other on the other side; and his hands were steady until the going down of the sun.

Dear Friends,

We have a saying that goes "If you see a tortoise on the wall, then you must know for sure that someone must have placed him there."

We feel so much indebted as we have always received support and love from all over the world. We can surely say that any achievement that we praise God for today is a result of the work that is being done by people from around the world.

We feel just like Moses that at times our hands have been very heavy but through your support the battle is won. Thank you so much for your prayers and your support.

I will be traveling to USA from April 16 to April 30th. Please keep me in your prayers. By God's grace I will be attending a conference in Pennsylvania from April 18 to 21st. I thank God for the people who have paid for my registration, someone else paid for all my domestic fares and part of the Hotels.

From April 22 to 25, by God's grace I will be in Connecticut area. A friend of us with other supporters have arranged for partnership meetings with schools and some meetings with individuals. We are overwhelmed by such great love.

From April 25 to 26 I will be in Atlanta, GA then a trip to Asheville, NC on April 27 and 28.

On 28th April to 30, I will be leaving from Atlanta to Seattle, Washington to meet with Chuck and Sue Carlson, the Director of New Life International Foundation for children in USA. Then I will head back to Tanzania.

Will you please pray for this trip?

We thank God for you and for all that he has kept on doing through you.

We love you so much.
