God's Heart Hurts When Children's Hearts Hurt
March/April 2011

Divine Provision

The Secondary school students in Grade 9 and 10 received a treat of the year when they were each presented with a dictionary of their own, with their names inscribed in it. This generous contribution was donated by Kevin and Marcie Miner of Clearview Church, Olmsted Falls, Ohio, USA and our missionary volunteer-Alice Limpert. May God be praised!

Upcoming Events

The NLF yearly conference will be held on 15th and 16th July 2011. This coincides with our 10th Anniversary and you are all invited to the celebration.

End of Term

The Primary School closed on 9th April 2011 while the Secondary School closed on 14th April 2011. All the students have done their terminal examinations and been evaluated. The school staff will miss the student's ministry when they go for holidays. It is a usual occurrence to see a student/students coming to the office offering to pray for you or giving a prophetic word about your life. Let's pray that these ministers of God will be a good example at home and spread the gospel of Christ. However some children are still in school because either their parents couldn't afford to take them home or NLF is their only home.

Exam time

Discipleship group

Discipleship

All the Secondary school students have been divided into discipleship groups of 10 facilitated by NLF members of staff. They meet weekly on Wednesday mornings and share their Christian experience and organize together for ministry outings. One Sunday morning they went to Restoration Bible church in Moshi and led the service. They led the Praise and Worship in that church and prayed for those in need. They also gave prophetic words about the future expansion of that church. Another group has been regularly attending a local church and teaching Bible lessons to the children there. Most of the time they follow an NLF syllabus that is based on the need at the time. The Primary school groups are facilitated by grade10 students.

Prayer Conference - Ethiopia

The NLF President Pastor Glorious Shoo accompanied Praygod Ulomi and Catherine Lema of Grade 7 and 8 to the 4/14 window prayer conference. It was about raising children and it was held in Addis Ababa Ethiopia for 3 days. The Lord once again confirmed His faithfulness when Pastor Shoo who had been denied a visa at the last minute got it through divine intervention. An officer had to be recalled after work

I SHOULD HAVE A PLAN AND PURPOSE WHEN DOING ANYTHING

hours to quickly process the visa.

Says Praygod Ulomi of Grade 7, "The environment and the teachings at the Ethiopia conference were good. The people there are so kind and generous. One of the things I learnt is that I should have a plan and purpose when doing anything. I should also spend time with God."

A New song

The Lord is mightily using the new group Uzima band by providing them with newly composed songs of ministry. One of their new songs to God "You've come in my heart and I'm awakened," has a beautiful tune and deep lyrics. God also used the Shepherd's family of Canada (who visited NLF a while ago) to donate a keyboard to Mrs Josephine Shoo, who has been an instrument in raising the Uzima band.

YOU'VE COME IN MY HEART AND I'M AWAKENED

Sponsorship

Carla Niemi and Janet Shaver of Canada visited the school to assess the future possibilities of partnering with us and sponsoring some children's education in the school. They appreciated the reception, the accommodation offered to them and the unique nature of the school and promised to organize groups to come to the school in future.

Laundry time

Prison Ministry

The secondary school students have been visiting juvenile prisons in Moshi, which host children aged 9 to 17. They build relationships with this children and share with them the love of Christ. They also donate foodstuff from NLF to them and pieces of soap they have or toothpaste. 8(eight) children have come to the Lord this term through this ministry. Once the children receive the Lord and make changes in their lives, appeals are made by Fountain of love for their fast release from prison. Jesus said "The spirit of the Lord is upon me, He has annointed me to.....set the captives free."

Farm time

It was farm time for all students from grade 5 to 12 as they all went to the NLF farm to plant maize for future consumption. They worked very hard in their allotted groups causing the exercise to be complete in a record two days. God blessed us with rain from the 3rd day onwards. Showers of Blessing indeed!

Words from Pastor Glorious Shoo

Dear Friends,

We are blessed to have people like you from around the world who have tirelessly kept on supporting us. I have said again that when the Lord spoke to us that “we should build him an army” little did Josephine and I know that it will be effective right away when these children are still in school and as young as elementary school children.

The army is already there doing great things for the Lord. One of the messages on children ministry that has kept on speaking to me is that **GOD WANTS TO USE CHILDREN.**

THE CHILDREN WILL USHER IN THE COMING OF The story in Luke 19:29-34 talks about Jesus sending Disciples to untie an untrained young colt and bring him to Jesus.

THE LORD. He told the disciples and if anyone asks you why are you untying the colt tell him **THE MASTER** has need of him.

We need to loose the children and make them ready for the master’s use. There will be a lot of questions on why we are involving children in this and that. The simple answer is **THE MASTER HAS NEED OF THEM.**

We are in the last days and God is pouring his Spirit upon all flesh. Just as this young donkey was an

instrument in carrying Jesus on his triumphant entry into Jerusalem. The children will usher in the coming of the Lord. If it wasn’t for your prayer and material support we could not have been where we are. Thank you so much.

Your co- worker in raising an army of the Lord.

Prayer requests and Thanksgiving

As you will be reading this Newsletter Josephine , Charity and I will still be in the USA.

We have ministered in New York at Promise Ministries International and we will be in Missouri then Colorado and Canada and finally Connecticut. We will be speaking to Churches, Groups of people, Individuals and on Radio Stations.

1. Thank God for providing for our trip. We have had some tickets for the domestic flight that has cost about 15 usd only for all of us, another trip from Missouri to Denver is 7.50 Dollars for three of us. This is by using miles from my frequent fliers program.

Thank God for moving among the children and providing for the needs of the organization.

1. Please pray for the upcoming conference and our 10th anniversary

2. Please pray for the funds for the salaries, building, food etc.

3. Please pray that the Holy Spirit will keep on using children on their vacation (some of these children come from a very hostile and hard environment)

4. Please pray for more workers who will be sent by God.
